Capture the Abundant Life God Promises!

Passionate and inspiring! Pat's personal story of heartbreak, her subsequent healing journey and eventual ascent to one of the foremost leaders in the post abortion recovery field, have transformed the landscape of this critical conversation. As founder of one of the nation's largest pregnancy resource centers, Pat has spearheaded the leadership of an international post abortion recovery ministry, an adoption agency and a professional client-coaching program.

A prolific Speaker, Author and Life Coach, Pat writes for national newspapers, blogs, newsletters, and ministry media, including Lifeway and Focus on the Family, and proudly serves on the Board of Directors of Proverbs 31 Ministries.

Pat is the author of 6 published books. Her latest book *A Surrendered Life* was released by Baker books in August 2014. All of these literary successes, however, are a precursor to what Pat calls her "favorite work ever" being released by Baker-Revell in Spring 2015 – *Life Unstuck: Peace with the Past, Purpose in the Present and Passion for the Future*: www.unstuckwomanclub.com.

Patricia K. Layton's most precious role is Wife of 37 years, Mom of 3, Mother-in-"Love" of 2 beautiful young women and "G" (grandmother) of 5 (3 boys and 2 girls). Every spare moment that is not filled with "all of the above" is stolen for rocking on her front porch drinking sweet tea and reading decorating magazines.

You can join her in the adventure of faith at www.patlayton.net where she shares it all, including the sweet tea.

Imagine Me..Set Free Woman's Conference

In this 3–4 session conference, women will look at clearly defined steps to obtaining Peace with her Past, Purpose in her Present and Passion for her Future. It is a fun, interactive, insightful, and life-changing weekend for women.

"Pat ministered to the women of our church with a genuine heart to bring them into freedom and fullness in Christ. Through purposeful time with God, many dealt with the past that so easily entangles. Others were re-invigorated in the purpose God has for them. I've never met a speaker more fervent in prayer for God to show up corporately and individually....and, as a result, God used the Freedom Weekend to profoundly impact many lives!"
